SOAH ORDER NO. 6
REGARDING APPLICANTS' BRIEFS ON UNCONTESTED ISSUES

In accordance with SOAH Order No. 2, Applicants' Briefs on Uncontested Issues (including proposed findings of fact, conclusions of law, and ordering paragraphs on uncontested issues) are due on February 12, 2019. The Administrative Law Judges would prefer that the sequence of issues addressed in those briefs follow the same table of contents, to the extent possible and applicable, that was used in the Proposal for Decision (PFD) filed in PUC Docket No. 48095 on August 2, 2018, which is a fairly recent Oncor Electric Delivery Company, LLC Certificate of Convenience and Necessity proceeding. While preparing proposed findings, conclusions, and ordering paragraphs in this docket, keep in mind that the Commission revised some of the proposed findings, conclusions, and ordering paragraphs when it discussed and ultimately issued its final order in Docket No. 48095 on September 17, 2018.

SIGNED February 1, 2019.
